Please mark here if you are writing one check for more than one child

Dear Parents

Below is the lunch menu for December. You will need to pre-order, and pre-pay. **Using one calendar per student**, simply fill in your child's name and grade in the top right corner, and circle the platters you would like for you son or daughter to receive.

We will keep accurate records; simply total the amount you have circled and make checks payable to FBS. You may write one check for all your children. Please return this form with payment by **Friday, Nov. 18.** Thank you for your support. **Please circle the platters you would like ON BOTH CALENDARS. You can then detach the bottom calendar for your own records and return the top portion to the school with your payment.**

Please select a drink for the month by circling it: Can of Pop, Chocolate, Drink Cup, Juice, No Drink, Pop Cup, Water, White
